Graduate Division Award Offer

		<i>Summer</i>	<i>Fall</i>	<i>Winter</i>	<i>Spring</i>	<i>Totals</i>
66764	SF/SUMMER RA MENTOR/STIPEND	\$6,000.00	\$0.00	\$0.00	\$0.00	\$6,000.00
<i>Totals:</i>		\$6,000.00	\$0.00	\$0.00	\$0.00	\$6,000.00

This offer does not include non-Graduate Division merit-based support (e.g., fee remissions, employment, departmental fellowships and/or traineeships) from your academic and/or other funding departments. Questions about those types of funding should be directed to the applicable funding department.

Required Documents:

Instructions:

1. Read the information in this Offer carefully.
2. Please review Graduate Division Award Offer Terms and Conditions on page 2, accept or decline the award, and sign your name on the line provided. **If you have applied and/or receiving Financial Aid funding including grants, loans or work-study from the Financial Aid and Scholarships Office, you must report any new fellowships to them as accepting this offer may result in those awards being adjusted.** Delay in reporting this information may result in you receiving financial aid in excess of your eligibility, which may necessitate that you be billed for funds already received. If you have questions please contact the Financial Aid and Scholarships Office.
3. Retain a copy for your records and return pages 1 & 2 by email to gdsupport@grad.ucla.edu
4. All awards will be credited to your Billing and Receivable (BAR) system account. Fee, tuition and nonresident supplemental tuition awards will only apply against these assessed categories (such awards will not generate a refund). Stipend awards will first be applied to any outstanding UCLA debts (e.g., student health visits, library fees, any remaining balance of fees, tuition or nonresident supplemental tuition, etc.) with the balance of your stipend awards electronically deposited or mailed.
5. The Graduate Division retains the right to void this offer of support if this form is not returned within 30 days of the date of the offer noted above, or, for students newly admitted, by the date provided for by the "Council of Graduate Schools Resolution Regarding Graduate Scholars, Fellows, Trainees and Assistants (CGS)" (April 15, 2021), whichever date is later. Please see CGS resolution here: <https://www.cgsnet.org/april-15-resolution>

- Summer Awards:** Students receiving Graduate Division Fellowship summer awards (e.g., Graduate Summer Research Mentorship, Dissertation Year Fellowship, etc.) are not required to be registered and enrolled during those months. However, recipients of summer funding must have been continuously registered and enrolled in the previous Spring quarter/semester and be continuously registered and enrolled in the following Fall quarter/semester. If not, the summer payment will be canceled and will need to be repaid. Entering students are not required to have enrollment in the preceding spring quarter, however, they must be formally admitted by the Graduate Admissions Office and submitted a Statement of Intent to Register (SIR) before they can receive Graduate Division awards. Entering students must be continuously registered and enrolled in the following Fall quarter/semester.
- Fall, Winter, or Spring Awards:** Be registered and enrolled in at least 8 units in a UCLA graduate program by the end of the third week of instruction for the academic term of the award. Students receiving Graduate Division Fellowship awards (e.g., GOFP, Cota-Robles, Graduate Research Mentorship, Dissertation, etc.) require a minimum of 12 units per quarter. Students must remain registered and enrolled throughout the entire quarter/semester for which they are awarded funding in order to maintain fellowship eligibility.
- New Students:** You must be in good standing regarding your admission status including submission of all official transcripts. Should your admission status be identified as incomplete or have an admissions hold, applicable funding will not release until your admission status has been resolved.
- Continuing students must maintain satisfactory progress in their degree program with a cumulative 3.0 GPA (2.5 GPA for Law School students). If you withdraw or take a Leave of Absence, your award(s) will be canceled and you will be charged and required to repay funding with respect to the quarters or semesters for which you were not enrolled.
- Undocumented students must have AB 540 status to receive funding from Graduate Division sources. Those without AB540 status are restricted to specific funding categories with a prohibition to receive any University of California administered fellowships. Please note that eligibility requirements are subject to change based on California legislative updates. For further information, please visit: <https://grad.ucla.edu/funding/financial-aid/students-with-ab540-andor-daca-status/> or <https://www.ucop.edu/enrollment-services/policies/universitywide-program-policies-and-guidelines/AB540.html>. You may also email gdsupport@grad.ucla.edu for further information or questions.
- If you are a Nonresident Alien, access the Glacier tax compliance system to determine tax status. If you require access, please contact your department upon your arrival to UCLA. You must complete and submit GLACIER documents within 10 days of receiving your GLACIER login information.

If GLACIER is listed as a required document, please submit the necessary forms to the campus Central Resource Unit for processing. Submission instructions can be found at: https://request.finance.ucla.edu/?frm_id=GLACIERforms

Graduate Division Award Terms and Conditions - Awardee Must Read and Complete

I will use any funds received solely for expenses related to attendance at UCLA. I will repay any funds from these programs not used for such expenses. I also certify that, if I receive any need-based funding, I agree that I will not engage in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in conducting any activity with the grant.

This offer of support is awarded as the primary and/or part of the package of merit-based fellowship support communicated to you by your home academic department. It may include other Graduate Division fellowships in the form of Special Fellowships that are awarded directly by the Graduate Division. This offer does not include non-Graduate Division merit-based support (e.g., fee remissions, employment, departmental fellowships and/or traineeships) from your academic and/or other funding departments. If you have questions concerning the components that make up your annual fellowship package, please contact your home academic and/or funding department(s).

I agree to all of the terms set forth on this offer of support. I am aware that to continue receiving assistance from this source or any need-based federal, state or University programs, I must maintain satisfactory academic progress with a cumulative 3.0 GPA (2.5 for Law School students) according to the standards of UCLA. I understand that University policy requires me to maintain at least 8 units in order to receive funding (12 units if Special Fellowship recipient). **I must remain registered and enrolled throughout the entire quarter/semester for which I am awarded funding in order to maintain fellowship eligibility.** If I withdraw or cease to carry the required number of units, I will immediately inform Graduate Division Fellowships and Financial Services Office in writing and arrange to repay any aid advanced to me for which I am no longer eligible. I am aware that, if offered awards from multiple funding sources (e.g., from extramural agencies, department allocations, Graduate Division fellowships, ASE/GSR earnings), at the Graduate Division's or department's discretion I may be required to relinquish all or part of the Graduate Division award.

The Graduate Division also reserves the right to rescind or modify your offer of support at any time should it be determined that you were not eligible. Please contact your department or Graduate Division Fellowships and Financial Services **before** signing this document should you have any concerns regarding your offer.

I ☒ **CONSENT** ☐ **DO NOT CONSENT** to allow my name, home department, and fellowship name to be publicized on the Graduate Division's website, in its Publications and/or posted on its bulletin boards and other Graduate Division venues for educational purposes. If neither box is checked, you are giving consent.

I ☒ **ACCEPT** ☐ **DECLINE (check one)** the above named award(s) offered to me by the Graduate Division for the specified period. My signature confirms that I have read, have understood and agree with the statements and conditions governing the award(s), as set forth on pages 1 and 2 of this document. Furthermore, I understand that, should I fail to meet any of these conditions during the period of my tenure, my award will be invalidated, and I will be obligated to repay UCLA for any portion of the award of which I have already received the benefit.
